

Evelo Biosciences to Present at Upcoming Investor Conferences in June

May 26, 2021

CAMBRIDGE, Mass., May 26, 2021 (GLOBE NEWSWIRE) -- Evelo Biosciences (Nasdaq:EVLO), a clinical stage biotechnology company developing a new modality of orally delivered medicines, today announced that management will present at three upcoming virtual investor conferences in June:

Jefferies Virtual Healthcare Conference. Management will host a presentation at 1:30 p.m. ET on Wednesday, June 2, 2021.

JMP Securities Life Sciences Conference. Management will host a fireside chat at 3:30 p.m. ET on Thursday, June 17, 2021.

Raymond James Human Health Innovation Conference. Management will host a presentation at 9:20 a.m. ET on Tuesday, June 22, 2021.

Live audio webcasts of the presentations will be available on the Investors section of the Evelo website at <http://ir.evelobio.com/news-events>. A replay of these webcasts will be available for approximately 30 days following each presentation.

About Evelo Biosciences

Evelo Biosciences is a clinical stage biotechnology company developing orally delivered medicines that act on SINTAX™, the small intestinal axis, to have systemic therapeutic effects. SINTAX plays a central role in governing the immune, metabolic, and neurological systems.

Evelo currently has four product candidates in development: EDP1815, EDP1867, and EDP2939 for the treatment of inflammatory diseases and EDP1908 for the treatment of cancer. Evelo is advancing additional product candidates in other disease areas.
